COMPANY RESOURCES FOR BUSINESS GROWTH &/OR EXPANSION

[Free job posting/Recruitment and hiring support](#)

MassHire JobQuest provides employers with free job posting and job matching service. You can also search for qualified candidates registered on MassHire JobQuest. Staff at the MassHire Career Centers can assist employers with recruiting and screening of candidates.

[Registered apprenticeships](#)

Registered apprenticeships help employers build a dynamic, self-empowered workforce into the future.

[Training grants](#)

Several types of grants are available for small, medium, or large companies. The grants can be used to train incumbent workers to upgrade their skills.

[Safety grant](#)

Grants up to \$25,000 are available to help companies fund workplace safety training. Additionally, [free on-site consultation](#) is available to help companies meet OSHA requirements.

[Tax credit for hiring](#)

If you hire employees from certain target populations, you may be eligible for tax credit incentives.

[Tax incentive program](#)

Businesses seeking to locate or expand may be eligible for state and local tax incentives in exchange for job creation and investment commitments.

[Economic growth support](#)

MassDevelopment offers a wide range of finance and real estate development services to support businesses that are investing in Massachusetts.
